**NELSON-MILLER**

### Supplier Declaration of Conformity to European Union Directives:

### 2011/65/EU – RoHS 2 & 2015/863 – RoHS 3

**RoHS Compliance Statement**

We hereby declare that our products conform to the Directive (EU) 2015/863 amendment of the RoHS 3, Directive 2011/65/EU; and do not contain any of the below referenced substances above the specified limits.

- Cadmium (Cd): 0.01%
- Mercury: 0.1%
- Lead (Pb): 0.1%
- Hexavalent chromium (Cr6+): 0.1%
- Polybrominated biphenyls (PBB): 0.1%
- Polybrominated diphenyl ethers (PBDE): 0.1%
- Bis (2-Ethylhexyl) phthalate (DEHP): 0.1%
- Benzyl butyl phthalate (BBP): 0.1%
- Dibutyl phthalate (DBP): 0.1%
- Diisobutyl phthalate (DIBP): 0.1%

This information is provided to the best of our knowledge. The following materials and secondary processes are RoHS 2 and RoHS 3 compliant:

- Stainless and brass products
- Polymer based nameplate and label products
- Metal based nameplate products and backing panels
- Aluminum based products
- Screen and digital printing inks

- **\*PC board products with the exception of products specified by the US Government requiring lead based solders
- Membranes switches including connectors used for attachment
- Injection molding and silicone rubber products
- Touchscreen Products
- Internal Anodize, painting and chemical etching processes
- \*Internal soldering process

\*There are some Nelson-Miller customers who do not require parts to be RoHS compliant. In such cases, parts are clearly identified as non-RoHS, are stored, and handled accordingly to segregate from the RoHS compliant parts to minimize any contamination or mix-ups with the RoHS compliant products.

**Additional Directive Information**

We believe this statement should satisfy your internal requirements for verification of RoHS compliance. If you are required to have additional information or need further clarification please contact me at the email address below.
